## PRINCIPALS MESSAGE

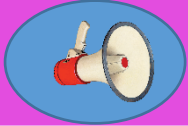

Compared to previous years this year proved to be a rebirth and renaissance for our institute. It reminds me of a quote by Vivekananda "We need to renew, in our hearts and in our souls, the deathless dream, the eternal poetry, the perennial sense that life is miracle and magic ". The changes that we have witnessed in institute in last two year will definitely prove as a milestone in giving institute a new direction towards glory. And for this I am highly thankful and obliged towards staff of institute for hard work they have put on despite limited resources on hand. I am also thankful to DTE, Uttarakhand and UBTER for supporting and guiding us inspite of their busy schedule. I am also grateful to staff of G.P. Dwarahat, GGP Almora, G.P. Sult, G. P. Danya, Dr. R. K. Beri, Mr. Bhaskar Bhatt Principal G. P. Kanda, UPTA President, Mr. Govind Principal, G. P. Lohaghat for providing necessary support in terms of staff, equipments and guidance. I am also thankful to Mr. Jeevan Joshi Lecturer(Mathematics), Govt. Inter College Chaunaliya and Mr, Bhuwan Bhatt, Lecturer(Physics), Govt. Inter College Panchsthali, Principal, Govt. Inter College Chaunaliya and staff of Rajeev Gandhi Navodaya Vidyalaya, Chaunaliya for giving their precious time to the students of institute.

I am also thankful to Honourable MLA Ranikhet, Dr. Pramod Nainwal for providing us encouragement and support. I am also thankful to Mr. Jagdish Pandey and Mr. Harish Pandey local social workers for providing us necessary support and their precious time. Our institute has always tried to build a sound system for not only imparting quality technical education but also to develop a sound and dynamic personality. Despite of limited resources the institute encouraged students from weak financial background to achieve remarkable success in zonal sports. Also students are encouraged to think in scientific manner by organizing various activities under guidance of Institution Innovation Council under MHRD, Government of India. The institute is committed to develop a skilled workforce that is globally competitive and can contribute to the growth and development of country.

**Jagdish Chandra Pandey**
